

CUSTOMER, QUALITY & SUSTAINABILITY FOR THE COMMUNITY

AUSF is a local construction solution supplier based in Melbourne, Sydney & Brisbane. After 10 years, our dedication to supplying Australian standard products is stronger than ever. AUSF products are commonly used across tier one sites and civil infrastructure projects nationwide.

WHAT IS AUSF LGA PROGRAM?

The **LGA** Program is a scheme to supply government and infrastructure projects to benefit the local community. Recipients will have regular communication with our experienced team. **AUSF** provides value to clients through special discounts for the purchase and hire of certain products.

As a company dedicated to supplying individual customers, we strive to assist communities through our **LGA** Program.
